

SPEEDICLEAN™ LONG HANDLE SCRUBBER

SPEEDICLEAN™ LONG HANDLE SCRUBBER

A sustainable, responsible scrubbing brush. Big Green Egg's SpeediClean™ Long handle Scrubber feature durable palm bristle pads that easily – and safely – clean even the messiest cooking grids and baking stones. This means halving cleaning time while doubling the spotless effect. The natural wood fibres of this model are durable, heat resistant and ensure that there will be no more stray steel bristles on your grid.

The flawless design and the curve of the handle have been ergonomically devised in such a way that you won't need elbow grease to get your grill grid, convEGGtor or Pizza Stone spotlessly clean. Once the brush heads are worn out, replace them by simply unscrewing the rubber heads.
